# ABOUT US

Welcome to Nirvana Business Solutions! Since 2013, we've been a trusted name in Mufulira, Zambia. Nirvana Business Solutions is a Zambian Company that started in 2013 in Mufulira as a Training Academy Specialized in Heavy Duty Machine Operations and Safety Trainings.

Our team is made up of highly qualified professionals with years of hands-on experience. Whether it's operating heavy machinery like Articulated Dump Trucks, 360-Degree Excavators, Front End Loaders, or mastering Safety Management, Risk Assessment, and First Aid, we've got you covered.

We specialize in; Heavy Duty Machine Training, Safety Training, First Aid and Driving School services

At Nirvana Business Solutions, we believe in empowering people and building safer workplaces. Whether you're an individual looking to upskill or a company aiming to enhance your team's expertise, we're here to help you succeed.

## OUR MISSION

Our mission is to actively offer, flexible, tailored training and education solutions designed to educate, inspire and innovate individuals and businesses helping them reach and achieve their goals and aspirations.

## OUR VISION

Our mission is to actively offer, flexible, tailored training and education solutions designed to educate, inspire and innovate individuals and businesses helping them reach and achieve their goals and aspirations.

## OUR CORE VALUES

- **People First:** We believe that our most valuable assets are our employees and their families. We are committed to creating a supportive and inclusive environment where everyone can thrive, grow, and feel valued.
- **Excellence in Training:** We are dedicated to delivering flexible, tailored, and high-quality training solutions that educate, inspire, and empower individuals and businesses.
- **Safety Above All:** Safety is at the heart of everything we do. We are passionate about equipping individuals and organizations with the knowledge and skills to create safer workplaces and communities. From heavy machinery operations to first aid, we prioritize safety in every training program we offer.
- **Innovation and Growth:** We believe in continuous improvement and innovation. By staying ahead of industry trends and embracing new technologies, we ensure our training solutions are relevant, effective, and impactful.

# WHY CHOOSE US

We're more than just a training academy – we're architects of skill, safety, and success. Our story began in 2013 as a specialized training academy for Heavy Duty Machine Operations and Safety Trainings. Today, we've evolved into a comprehensive solutions provider, offering a range of programs designed to elevate your expertise and safeguard your workplace.

Our team of highly qualified professionals boasts years of hands-on experience, ensuring that our training programs are engaging, informative, and tailored to meet your unique needs. Whether you're looking to master Heavy Duty Machine Operations, Safety Management, First Aid, or Driving Skills, we've got the expertise to guide you every step of the way.

At Nirvana Business Solutions, we're driven by a passion for empowering individuals and organizations to reach new heights. We are committed to deliver exceptional training experiences that foster a culture of safety, excellence, and continuous improvement.

Join us on this journey, and discover why we're the trusted choice for businesses and individuals seeking top-quality training solutions in Zambia

Let's build a safer, more skilled tomorrow – together!

# OUR SERVICES

- Heavy Duty Machine Training
- Safety Training
- First Aid
- Driving School services

Our Services include, Heavy duty machine training such as; Articulated Dump Truck, 360 Degree Excavator, Front End Loader, Tractor, Tractor Loader Backhoe, Motor Grader, Mobile Crane and Roller Compactor. Occupational Health, Safety Management, Risk Assessment, Safety Health and Environmental Representative, Mines Health and Safety, Construction Health and Safety, First Aid all Levels, Scaffolding Erectors, Heights training and Driving School Services.

**Heavy Duty Machine Training:** We train operators to handle equipment with confidence and precision.

#### RISK ASSESSMENT

In a workplace, risk assessment is about identifying potential hazards and understanding the risks they pose to safety. Our training equips our students with the tools to spot these dangers and take action to reduce them, thereby creating a safer environment for everyone. This also helps businesses implement effective strategies to minimize risks and maintain a safe working environment.

#### FIRST AID

We offer all levels of First Aid training to prepare you for emergencies.

#### SAFETY TRAINING

Our courses in Occupational Health and Safety, Construction Safety, Scaffolding, and Heights Training ensure workplaces are safe and compliant.

### Driving School SERVICES

We also offer professional driving lessons for Class B (cars), Class C1 (light trucks), Class C (heavy trucks), and Class CE (trucks with trailers). Whether you're a beginner or upgrading your license, we'll help you hit the road safely and confidently.
